About D&Son's

D&Son's Building Construction Company W.L.L. is a Kuwait-registered construction and fit-out contractor based in Sanam Tower, Qibla, Kuwait City. We deliver construction, interior fit-out and electromechanical works for offices, clinics, retail shops, shopping malls, cafes, restaurants, cinema and conference halls across Kuwait — combining design, build and MEP capability within one accountable team.

Mission

Deliver construction, fit-out and interior projects as one accountable team, from concept to handover.

Vision

To be a trusted, design-led fit-out and construction partner for businesses across Kuwait.

Approach

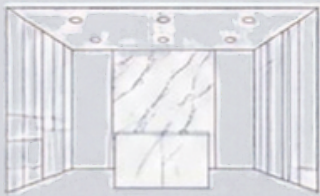

One team spanning design, build, MEP and finishing — no hand-offs between separate contractors.
